

## **Chapter Event Selection Form**

Chapter Training Events are cost-effective training options available for your chapter to host and earn revenue. You choose the date and event, set the registration fees, registration method, location (in-person or virtual), and platform (ex. Zoom if virtual).

To ensure proper processing, this selection form must be sent to <u>memberservices@ncmahq.org</u> at least 30 days prior to the date of the event.

## Once your chapter selects their training option:

- NCMA will provide all applicable materials to the chapter electronically via the chapter contact's NCMA account in the My Virtual Training platform.
- Your event will be listed on the NCMA HQ website and in the <u>NCMA Learning Catalog</u>.
- After your event, your attendees will receive the training's corresponding CPEs and a certificate of completion.
  - Any CPEs awarded must follow the <u>NCMA CPE Guide</u>.
