

# CONTRACT MANAGEMENT LEADERSHIP DEVELOPMENT PROGRAM

## APPLICATION FOR THE 2020–2021 Class

### PROGRAM INFORMATION

The highly competitive Contract Management Leadership Development Program (CMLDP) is designed to help develop our next generation of leaders through an intensive educational experience focused on live leadership training, mentoring and collaboration. Participants will receive, without charge, approximately 160 hours of top-quality education during this 10-month program in leadership, volunteerism, and governance. A primary goal of the program is to prepare graduates for leadership positions, armed with the tools they will need to succeed.

The ideal candidate is an NCMA member desiring a leadership role in the Contract Management Profession. Typical candidates have at least four but not more than 8 years of experience in contract management and have not yet held a supervisory or management position (or have less than 1-year experience as a supervisor and/or manager). He or she must hold a bachelor's degree, or higher, from an accredited institution. Candidates should have a strong desire to become a leader and be recommended by their employer as a top performer with a high potential for advancement who will thrive and benefit from this program.

Some points to consider during the preparation of the application:

- All responses should be clearly written and succinct. Long responses that repeat the question or are repetitive are not viewed as strong responses when compared to those that express the applicant's thoughts in a professional manner.
- We strongly encourage candidates to connect with a CMLDP graduate to discuss the program. A list of graduates and contact information is available by contacting the National Office at [cmldp@ncmahq.org](mailto:cmldp@ncmahq.org).
- Participants are expected to exercise a high level of professionalism during the program year and after graduation. Responses should demonstrate the candidate's ability and eagerness to meet this standard.
- Candidates must demonstrate in the application why they, NCMA, their employer and the Contract Management profession will benefit by their experience.
- Candidates must be active members of NCMA at the time their applications are submitted for consideration; they must remain members throughout the program; and they must commit to maintain membership for at least two consecutive years following successful completion of the program. There is an expectation that successful graduates of the program will assume leadership positions at the chapter level and may eventually contribute to national leadership.
- Many chapters have well-established processes in place for supporting CMLDP participants. Candidates should communicate with their chapter president to fully understand the chapter's potential level of support, as well as any chapter expectations and opportunities upon graduation from the program.
- The applicant is responsible for obtaining the required recommendation letters and for ensuring all information is included in the letters as detailed in the "Application Requirements" section. Applicants are responsible for ensuring their fully completed application is delivered to NCMA no later than 11:59 PM (Eastern) on May 1, 2020.
- Above all, candidates must commit to honor and uphold the [Contract Management Code of Ethics](#) while in the program as well as throughout their careers.

For budgeting purposes, please refer to the chart on page 4. Applicants must submit their application in **one PDF document** no later than 11:59 p.m. (Eastern), **May 1, 2020** to [cmldp@ncmahq.org](mailto:cmldp@ncmahq.org). Applications submitted after the midnight May 1st deadline WILL NOT be considered. Only a complete application will be accepted for consideration. In the event a late or incomplete

application is submitted, the applicant will be disqualified and shall not be considered as a candidate for the 2020-2021 CMLDP class.

All applications will be screened for completeness and to ensure candidates have met the requirements described above. The top candidates will be invited to participate in a short online interview (via Zoom or another similar platform) with a team of senior leaders beginning in late June. Those selected to the CMLDP class of 2020-2021 will be notified via email in late August.

If you have any questions, please email [cmldp@ncmahq.org](mailto:cmldp@ncmahq.org).
